

A Day of Music & Play with Jim Gill

Friday, April 27, 2012

9:30 a.m. ~ 3:00 p.m.

Poplar Creek Public Library

1405 S. Park Ave.

Streamwood, IL 60107

Sponsored by LACONI Youth Services

Jim Gill presents an energizing workshop with a perfect blend of active participation and useful information gathered from research and actual practice. Jim will share examples of his work—both books and songs—that librarians and early childhood professionals can bring back and use in their programming.

Most importantly, Jim will discuss how his unique creations in music play inspire young children not only to move, but to regulate their movements...not only to sing, but to make connections between the words they sing and the printed word. Jim will discuss how a play-based program provides an inclusive environment for children with special needs and share thoughts based on his work with children of all ability levels. Materials will be for sale at the program; cash, check, and credit cards accepted.
